Subject: Re: Parish Council Meeting 17/02/25

Hi Nicky

It has been a quiet period. CC met on 3 Feb. It was attended by a Horringer resident, to understand what CC does, to inform potential involvement.

Stage improvements to be completed this month by the flooring company and with fixing a dado rail to the back wall to provide paintwork protection from stacking chairs.
Discussion about a table trolley to go onto the stage but there is concern that users would not apply the locking wheels before unloading/loading the trolley putting users at risk. Further consideration needed.

A meeting outside of the regular management committee meetings will be held 3 March to discuss heating upgrades.

Little Lottie has a new CC caretaker team but transfer of banking mandate not yet complete and so Brian and Bryan still signing cheques for winners.

Next full CC meeting 24 Feb.

Regards
Euan
