4.	**Discuss the results of the Residents Survey** • Ian Poole is looking for feedback for residents. Charts with percentages. Punchy bullet points from the survey. • Feedback needs to have policy context, our survey said, chapters. It needs to be kept short. BY will write a presentation and circulate for everyone to read and amend. JF will send address of an volunteer who will help analysis the presentation stats. She will need draft, survey and v2 of draft. This will be used for the display boards at the consultation event. • Thank you to Ian and note in Diary/podcast thanking residents for filling them in BY. 5.	**Discuss Housing Needs Assessment – AECOM** • This will help developers decide if their planning applications will be approved. Saves money on planning if it's not to the policies in the NHP it will unlikely be approved. • Policies in the NHP will reflect that we need a percentage of smaller houses. We should feed the results of the survey to AECOM. BY comments on the draft in by 2 weeks. • WSC local plan will go through July or Sept. • The WSC local plan only nominates sites outside the settlement boundary. Building inside the boundary is subject to planning approval.
